

## Our Equipment

### **1 X Centre Lathe – 5m (Heavy Duty) 5 Tons**

- Distance between centers 5M
- Swing over saddle 720
- Swing over bed 1 000
- Swing cap 1250 – 1300 X 300L
- 2 X axes D.R.O

### **3 X 2m Centre Lathe 560 – 2000**

- Distance between centers 2M
- Swing over saddle 340
- Swing over bed 560
- Swing in gap 650 X 180
- 2 X axes D.R.O

### **1 X 3m Meter Centre Lathe 4 Tons**

- 1 X Heavy duty 3M lathe
- Distance between 3M
- Swing over saddle 480
- Swing bed 800
- 2 X Axes P.R.O

### **3 x Heavy Duty First Milling Machine**

- Table to spindle 600m
- Bed size 350 x 1270
- Spindle size ISO 40
- Tilting head 45 x 45
- 3 x axle D.R.O

### **1 x Kingridge Heavy Duty Milling Machine**

- Table to spindle 600m
- Bed size 350 x 1270
- Spindle size ISO 40
- Tilting head 45 x 45
- 3 x axle D.R.O

### **1 X Horizontal Boring Mill 63**

- 3 x Axes D.R.O

## **Heavy Duty Welding Machine**

- 3 X Lastimig 360 up to 1,2mm wire Co2
- 1x Tig Welder (Heavy Duty)

## **Cooled 380V 100% duty cycle**

- Oerlikon Gough 600 amps – 380V

## **Imported from USA Portable line boring machine**

- From 31,75 mm – 550 mm holes & blind bore – 340 mm
- 1 x portable key cut milling machine 50 w x 600 long

## **Slotting Machine**

- Keys
- 300 mm stroke x 100 wide
- Up to 2m OD
- 1 X radial arm drill
- Cap 50mm x 1.2 m high

## **Drilling Machine**

- 50mm hole by 1.2m stroke
